Dear Colleague

Now SATS have finished and reports are being written and collated, I write to invite your school to exhibit at this year's Orsett Show.

It is a good opportunity to display your children's work and celebrate the creativity of Thurrock children and staff.

Please look around your school this term and before you take down all your displays for the summer, identify one that we can share with the public at the show. Staff are invited to come and display the work on Friday September 2nd or early on the day of the show. However if this is too difficult to arrange please put all the work into a box and send it to me at **Stifford Clays Infants**, through Thurrock internal mail and I will display it for you.

I would be grateful if you could let me know if you will be exhibiting work as soon as possible so that I can arrange for your tickets and free passes to be available for you to collect when you come to display the work.

Yours Sincerely

Cathy Hasler
Schools marquee organiser.

*We will/ will not be exhibiting at the Orsett Show this year.
